I would like to thank Graham Weir and Pembroke Insurances for the exceptional service.

His attention to detail is brilliant and he goes the extra mile when dealing with a client.

We changed from our previous broker and the difference in service was very noticeable. His knowledge of the industry is evident when he is giving advice.

He reduced our premium from the previous year by a considerable amount giving us the same cover with the confidence of back up behind him.

I would have no hesitation in recommending Pembroke Insurance to anyone I know with the confidence that they would be well looked after.

Your Sincerely,

William Carroll

William Carroll.
