- TESTIMONIAL FOR PEMBROKE INSURANCE-

I first contacted Jonathan in 2016 when I was starting out my own and needed professional indemnity insurance. This was a somewhat unknown area to me and I found Jonathan to be incredibly helpful. At the time I had contacted a few places regarding professional indemnity but Jonathan not only got my the most competitive quote but also gave the best service by taking the time to answer any questions I had. When it came time to renew last year he gave notice in plenty of time and made the process really easy. I would happily recommend Jonathan.
