### Testimonial for Graham Weir & Team of Pembroke Insurances

To whom it may concern,

Having being introduced to Graham and his team early last year, the experience has been second to none. We had also stayed with an old insurance broker for nearly 20 plus years, only when we engaged with Graham and his team at Pembroke we found out for years we had been on the wrong policy and the t&c were inaccurate to our business.

Pembroke insurance immediately flagged this and gave us the best option going forward. Since then I have placed numerous policies with Graham and his team and their customer service is incredible.

I would have no hesitation in recommending Graham and his colleagues and have done so to friends and family.

They really are an insurance broker you can trust.

Yours Sincerely

Peter Hynes
