Dear Celine

I just wanted to write you this note to let you know how happy I am for You taking my pension plan under your and Pembroke Insurance control.

I did set up my pension plan around 12 years ago and I've never heard anything since. Apart from the statements in the post, which never gave me a clue of what it is, and what should I do with them.

You answered all my questions. Gave me all necessary advices. Basically you did all job, with just giving me the papers to sign.

I am very happy with the service that Pembroke Insurance and Celine provided to me.

I definitely will be referring your services to my friends and my clients.

Kind regards

Kate Matrochina/ EcoRads
